FOR IDAHO GIVES
2014 SECOND CHANCE AT FREEDOM CAMPAIGN**

<http://idahogives.razoo.com/story/Second-Chance-At-Freedom>

We kindly ask the community and all IBBR supporters to join IBBR May 1, 2014 (Thursday) for [Idaho Gives - 2014 Second Chance at Freedom Campaign](#). Please share this with everyone you know. Speak out to help bears and let people know why you support IBBR, why the work of saving these bears matters. Let them know the value and importance of continuing bear rehab and why it's important to appreciate, protect, and save each bear we can. Share on Facebook, Twitter, all social media, and send e-mails to your friends, families, and co-workers. Help spread the word.

While the intent of IDAHO GIVES is for citizens of Idaho to donate and support Idaho non-profit organizations, everyone regardless of where they live can participate and support IBBR in our efforts to save bears and make their world a better place.

AWARD POOL & DONOR APPRECIATION AWARDS

Thanks to the many Idaho sponsors, there is an award pool of \$48,000 that will be distributed to non-profits based on the largest number of donors for small, medium, and large non-profits. Your donation can increase our chances of receiving part of the award pool. In honor of the thousands of donors who make Idaho Gives a success, every 500th donation will be boosted by a \$250 prize given to the non-profit receiving that donation. Your support on May 1 can add even more funds to help IBBR.

Your support goes beyond the rehab activities and enables us to work harder to offer future generations of bears a better chance of survival, hope for a life of freedom, and the opportunity to get help from a rehab program when needed. Funding and donations contribute to all of that - a better world for bears everywhere beyond just the rehab program and helping individual bears in need at the moment. For each of our rehab bears, we also hope our actions will provide them with a world in which they can thrive when released and decrease the many challenges they face.

Thank you to all IBBR's supporter for caring about the bears and helping us to save them. **ALL of YOU** are really the heroes as we couldn't do what we do without you. While we may do the physical work, each of you participates in giving them a Second Chance at Freedom by caring about them, speaking out, and supporting IBBR's efforts to make a difference for all bears in need. When the bears step out of the carrier to freedom once again, know you are right there with them. While Idaho Gives 2014 Second Chance at

Freedom is a celebration of giving, what greater gift can the bears give back than letting all of us be a part of that moment and share in their joy and celebration of being free again.
